

# innov8tive Immune

Vitamins & Nutrients in a Topical Patch

The Innov8tive Immune Patch is formulated with a proprietary blend. Ingredients like ginger, licorice root, turmeric, and zinc help support a healthy immune response.

CoQ10 and Piperine Extract help prevent oxidation of ingredients and promote better absorption.

Helps to support a healthy immune system

Helps to keep your body running at its optimum level

Quality ingredients formulated to provide antioxidant benefits

**Innov8tive  
PATCH  
Application**

## How to Use:

Use 1 patch per day. Apply patch to an area with little or no hair. Avoid using any lotion or cream in the same area as it may inhibit absorption and the patch's ability to stay adhered. Patch is not waterproof.

**Ingredients:** Licorice Root Extract, Black Cumin Seed Extract, Acerola Fruit Extract, CoQ10, Aged Garlic Extract, Ginger Root Extract, Black Elderberry Extract (Fruit), Zinc Picolinate, Vitamin C (Ascorbic Acid), Piperine Extract, Turmeric Root Extract, Vitamin D3 Cholecalciferol 1MM IU/G Sunflower Oil, Olive Leaf Oil
